YOUR GATEWAY TO UNFORGETTABLE ADVENTURE

INNOVATIVE CONSTRUCTION

The walls, roof, and floor are constructed from Queensland-made high-strength composite panels, reinforced with fiberglass and an XPS core.

EXQUISITE ENGINEERING

Our chassis is a masterpiece of engineering, crafted from 350-grade Australian steel and hot-dip galvanized for superior durability.

TOP-TIER TYRES

The Maxxis RAZR AT811 all-terrain tyres, with 3-ply sidewalls, provide optimal puncture resistance, allowing you to navigate any terrain with ease.

EXCEPTIONAL PLUMBING

Equipped with Australian-made roto-moulded water tanks and black vinyl plumbing lines, prevents algae growth and ensures a pure water supply.

SOPHISTICATED ELECTRICAL SYSTEM

Features waterproof Deutsch plugs & the cutting-edge Redarc Redvision screen offers seamless control of all your power needs from phone.

SUMPTUOUS COMFORT

Indulge in the spacious interior and luxurious comfort of our queen-size Cloud 9 mattress, handcrafted in Australia. Unwind and rejuvenate!

EXCEPTIONAL SUSPENSION SYSTEM

Explore Australia with the Cruisemaster XT Freestyle suspension. The iconic all-terrain suspension system features coil springs for complete comfort.

ROBUST PROTECTION & JOINERY

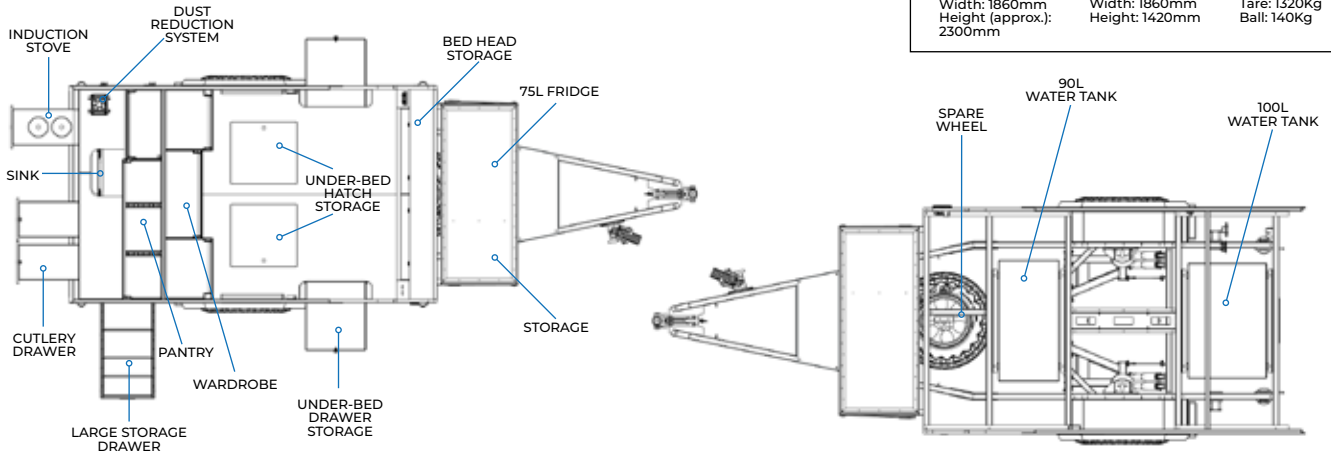

The lightweight yet strong construction, finished with a durable powder coating, guarantees your pod will remain in pristine condition!
